FOR IMMEDIATE RELEASE

HeartSoul Revival Announces New Album Release: *Twisted & Torched: Together We Rise*

Album Set for Release on January 17, 2025

Dallas, TX – January 12, 2025 – HeartSoul Revival, the dynamic musical duo of Ginine Emily Smith and Tracy Lee, is set to release their highly anticipated new album, *Twisted & Torched: Together We Rise*, on January 17, 2025. This powerful album combines soul, R&B, and pop influences to deliver a transformative musical experience that speaks to resilience, hope, and unity.

Following their previous success with HeartSoul Revival, Ginine and Tracy’s new project takes listeners on an emotional journey of overcoming adversity, embracing love, and rising together as one. With heartfelt lyrics, soulful melodies, and dynamic production, *Twisted & Torched: Together We Rise* offers a message of empowerment, inviting listeners to find strength and healing in the face of life’s challenges.

“We’ve poured our hearts into this album,” said Ginine Emily Smith. “*Twisted & Torched* is not just a collection of songs—it’s a declaration of resilience, love, and the unbreakable bond we share as people. Together, we can rise above anything.”

The album’s release will be supported by a global promotional campaign, including exclusive performances, interviews, and appearances by Ginine and Tracy at key events worldwide. HeartSoul Revival’s commitment to inspiring and uplifting others through music continues to resonate deeply with fans and listeners of all backgrounds.

With their unique blend of music and life lessons, Ginine and Tracy are set to make a significant impact, continuing their mission of fostering meaningful connections and igniting growth through the power of music. *Twisted & Torched: Together We Rise* is a testament to the healing and transformative power of art.

The album will be available on all major streaming platforms and for purchase beginning January 17, 2025.

"Hearts are in sync when people listen"
 We would like to say thank you to all the people
 who spread love in this world, and to the one
 who invented it.
